

## **PALESTINIAN MONITORING GROUP**

### **MONTHLY SUMMARY OF ISRAELI VIOLATIONS**

**01 July 2014 – 31 July 2014**

The following summary tables and overview of events survey hostile Israeli activities during the period 01 July 2014 to 30 July 2014. The report includes a summary table of events, classified by type, throughout the West Bank and Gaza Strip, in addition to a comparative table surveying events over the past three months. The survey is compiled from the Daily Situation Reports of the Palestinian Monitoring Group (PMG) of the Negotiations Affairs Department (NAD) of the Palestine Liberation Organization (PLO). The PMG monitors ground conditions in the West Bank and Gaza Strip, including Israeli and Palestinian violations. The PMG Daily Situation Reports are a survey of daily events collated from information provided by civil ministries and security agencies of the Palestinian National Authority. The information reported through the PMG process represents data available at the time of distribution only.
